Senior Campaign Finance Analyst  
Reports Analysis Divison

In response to your April 30, 2014 notice the FEC report is was amended to:

1. The Committee is reviewing it's procedures for checking contributions received during the 48 hour period and will make necessary changes to insure the Committee files all required 48 hour notices.
2. The Committee did not receive prohibited contributions. The FEC report was amended to report the correct contributors name.
3. The Report was amended to reflect the correct election cycle for the contributors in question.
4. The contribution reported from the LLC was not a contribution, but a reimbursement. The FEC report was amended to reflect the correct receipt.
5. The excessive contributions in questions were accidently reported as a contribution for the Primary and should have been for the General election. Those contributions were amended with the correct election and cycle and there were no excessive contributions.

If you have any additonal questions, please to not hesitate to contact the Committee.

Sincerely yours,

Jerome Hurckes
